The copyright law for works of art and literature 1960/729 (URL) is to be applied, but with the following reservations:

Lunds konsthall reserves the right to publish and use the images distributed in the zip-archives Matts\_Leiderstam.zip, Miya\_Yoshida.zip, Sopawan\_Boonnimitra.zip

This application of the law is limited to publishing in connection with Lunds konsthall exhibition activities.

The participating artists: Sopawan Boonnimitra, Matts Leiderstam, Miya Yoshida have the right to publish the images for other purposes, although the right of use is limited to use in relation with the artists' own art practice. This also allows for publishing at another exhibition space than Lunds konsthall.

The name of the photographer and the Orderer, Lunds konsthall, shall always be mentioned when publishing (photo: Terje Östling / Lunds konsthall). This is a condition for having the right to publish, if no other agreement has been reached.

The photo negatives and colour originals are the property of the photographer. All secondary rights belong to the photographer if no other agreement has been reached. The rights to the images that are transferred according to these agreements will pass on the Orderer when full payment has been made to the photographer.

A copy of this agreement must always accompany the images.

In case of uncertainty as to the use of the images the photographer should always be contacted for approval.
